OVERVIEW

The PD-II is equipped with an RS-232C and an 8-bit Parallel port to connect to most popular ECR's (Electronic Cash Registers) such as SAMSUNG, SANYO, CASIO, SHARP, and others. Installation is very easy.

The PD-II has a standard large tray making weighing of large objects convenient and accurate. The stainless steel tray makes the PD-II ideal for weighing food and other products requiring a sanitary surface. The PD-II has a very low profile (just 82mm) making it extremely unobtrusive.

MODEL		PD-II-6kg	PD-II-15kg	PD-II-30kg	PD-II-60kg
Division	Single Range	2g	5g	10g	20g
	Dual Range	3kg / 1g 6kg / 2g	6kg / 2g 15kg / 5g	15kg / 5g 30kg / 10g	30kg / 10g 60kg / 20g
Internal Resolution	1/90,000
