

SECA 354 BABY SCALE

HIGHLIGHTS

- Dual-Purpose Baby Scale and Floor Scale for Children
- Weighing Tray Easy to Detach from Base
- Breast-Milk-Intake-Function.
- Mobile and Robust for Transport

DESCRIPTION

COMPACT QUALITY WITH DUAL PURPOSE

At home, in surgery and around the world wherever life begins: reliable weight control is decisive for a healthy start in life. The Seca 354 is an all-around scale which has been developed on the basis of practical experience. It can be used not only as a baby scale but also as a floor scale for small children.

BABY SCALE AND FLOOR SCALE FOR CHILDREN IN ONE

Babies can be weighed safely and comfortably in the tray of the Seca 354. The rounded shape of the tray with its slightly raised sides gives the baby a feeling of security. By detaching the tray from the base, the scale is converted into a fully functional digital floor scale with a capacity of 20kg.

In no time at all, the baby scale can be converted into a floor scale: pressing a button unfastens the mechanism attaching the tray to the base. When locked, this secure attachment ensures that the baby scale is easy to lift and safe to transport.

EASY TO OPERATE DUE TO SELF EXPLANATORY BUTTON FUNCTIONS

The Seca 354 is easy to operate due to its intuitive operating concept with self-explanatory buttons. The auto-HOLD function means that, after being weighed, the baby can first be taken care of before one has to read off the result. With the TARE function, the weight of nappies or soft mats can be reliably deducted.

SECA 354 WITH BABY TRAY FITTED

WITHOUT BABY TRAY

seca
Precision for health

With the Breast-Milk-Intake-Function, one can determine how much milk the baby has drunk when breast fed. Because, at the touch of a button, the weight of the baby determined before feeding is deducted from the weight determined after feeding.

SPECIFICATIONS

Capacity	20kg (44lb)
Graduation	10g < 10kg > 20g (0.5oz < 22lb > 1oz)
Dimensions	552mm(W) x 156mm(H) x 332mm(D)
Weight	2.3kg
Power Supply	Batteries
Functions	Tare, BMIF, Auto-Hold, kg/lbs Selectable Units, Automatic Switch-Off
Options	Carrying Case Seca 414 and Seca 413
